ORDER

On December 7, 2015, Administrative Law Judge John J. McCarrick of the National Labor Relations Board issued his decision in the above-entitled proceeding, and, on the same date, the proceeding was transferred to and continued before the Board in Washington, D.C. The Administrative Law Judge found that the Respondent has engaged in certain unfair labor practices and recommended that it take specific action to remedy such unfair labor practices.

Respondent timely filed exceptions on February 16, 2016, but withdrew those exceptions on January 7, 2019. Accordingly, as there are no exceptions pending before the Board, and the time allowed for such filing having expired,

Pursuant to Section 10(c) of the National Labor Relations Act, as amended, and Section 102.48 of the National Labor Relations Board Rules and Regulations, the Board adopts the findings and conclusions of the Administrative Law Judge as contained in his decision, and orders that the Respondent, its officers, agents, successors, and assigns, shall take the action set forth in the recommended Order of the Administrative Law Judge.

Dated, Washington, D.C., January 10, 2019.

By direction of the Board:
